Dear Parents/Guardians,

With our desire and commitment to train leaders for the 21st Century, Life Schools would like to offer your student the opportunity to be enrolled in the TSI test prep course for those wishing to ultimately participate in Early College/Dual Credit.

These courses are designed with instructional content for review including video-based instruction, interactive assignments, and regular assessment opportunities to track progress.

If you feel this is something you would like for your student to take advantage of, please fill in the information below and return it to the front office of your student's campus. Once the form is completed and returned, your student will be added to the appropriate course and given their Username and Password for the Edgenuity course.

*Please note, Edgenuity requires the use of a computer and internet connection with appropriate plugins. Additional information can be found at www.edgenuity.com.
